### AQAR 2021-22

#### 7.1.3. (Facilities for the management of degradable and non-degradable waste)

To manage the different types of degradable and non-degradable waste, separate waste bins (Green & Blue) have been placed in all floors of the College building for segregation of bio-degradable and non-bio-degradable wastes. This practice is sincerely followed in the college premises for the disposal of different types of waste.

## NOTICE

As announced during the Earth Day Celebration on 22<sup>nd</sup> April 2022, the college in collaboration with Hulladek Recycling Pvt. Ltd. is going to arrange for e-waste recovery from the faculty members, teaching staff and the students of the college. In this connection, an e-waste collection bin will be kept at the entrance to the College Office during the period 18<sup>th</sup> May to 27<sup>th</sup> May 2022.

Any kind of e-waste might be left or disposed in the bin for responsible disposal of the same. Stakeholders of the college are encouraged to actively participate in the drive making it a success.
